MaculART International Meeting 2025

IMAGE CONTEST

Rules and terms

Context:

The MACULART International Scientific Committee is thrilled to announce an extraordinary opportunity: a prize for the most stunning artistic macula image.

This prestigious award celebrates the fusion of science and art, inviting submissions of macula images so beautiful and compelling that they belong in an art exhibition. Let your creativity and expertise shine as you capture the intricate beauty of the macula through your lens or imaging tools.

Deadline:

Photos are to be sent by email by **June 6, 2025** to the Organising Committee: support-maculart@europa-organisation.com .

Submission Guidelines:

1) What to Submit: Any type of macula-related image, including:

- Color pictures
- Autofluorescence
- Near-infrared imaging
- Fluorescein angiography
- ICG
- OCT
- En-face OCT
- OCT-Angiography
- Or any other innovative visualization!

2) Artistic Vision: Images should radiate aesthetic appeal and creativity.

3) Format: Submit your ORIGINAL work in JPEG or TIFF format with the highest resolution possible.

4) Content : No data should appear concerning patient/source identification. No images or comparative images to living or deceased people should be used in whatever format possible (infringement of copyright and image right laws).

5) Details to Include: Please provide the sender's first name, last name, and city in Arial, italics, size 10 (e.g., Paul Smith, Chicago).

6) Submission Link: fill-in the contest entry form and send it and your best picture to support-maculart@europa-organisation.com

7) Deadline: Friday 6th June 2025

8) Multiple Entries: Participants are welcome to submit several images.

Award:

During the 2025 MACULART International Meeting, an esteemed jury will unveil and honor the most breathtaking macula image, chosen for its artistic brilliance and visual impact.
